

2010-11 4-H Travel Opportunities Announced

Twenty British Columbia 4-H members have been awarded travel opportunities. The opportunities will involve outstanding young adults participating in various seminars, conferences and leadership programs during the next year.

Travel opportunity recipients were selected based on their past 4-H involvement, individual opportunity preference, leadership potential, and program participation. A key element in selections is to match delegates to an opportunity that fits the individual and will provide the environment for maximum leadership and youth development.

Travel opportunity awards and recipients are as follows:
