DEFINITION OF A DEMONSTRATION

A demonstration is showing how to perform a task or skill using precise instructions for each step of the task or skill. It is a physical demonstration with adequate description; or barring inadequacy of equipment or time, a presentation of enough of the physical demonstration to give continuity to the task or skill.

A “**demonstration**” may end with a “**learned skill**” or a tangible “**finished product**”.

- “**Learned Skill**” – that which takes one in 8-10 minutes from inexperienced to more knowledgeable. e.g. CPR.
- “**Finished Product**” – that which in 8-10 minutes produces a tangible item(s). e.g. plate of cookies.
